

A Dental Cleaning With Dr. Summers

This is Dr. Summers.

She is a Dentist!

She will count my teeth!

Our Building

Mommy or Daddy
drives me to the
dentist office.

We park the car in the
parking lot.

Elevator

In the elevator I press the number “2” for the second floor. Then I turn left out of the elevator.

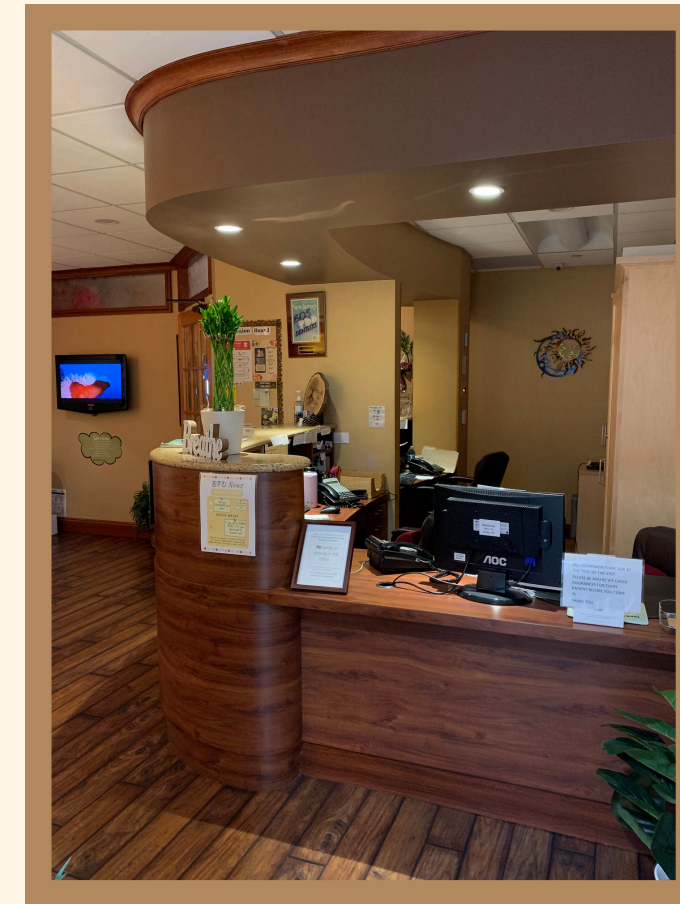

Entrance

The office door has a nice sign. I open the door.

Entrance

I say “hello” to the ladies at the front desk.

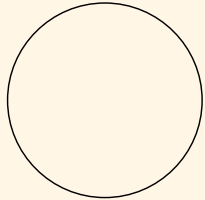

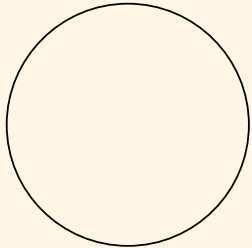

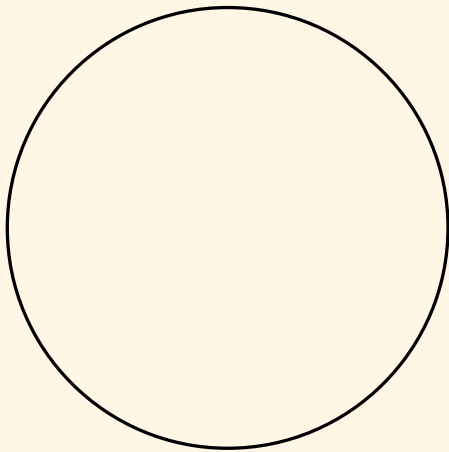

Reception

- I watch the fish swim across the screen.
- I hear the fish fountain.
- It smells good in the office.
- I play on Mr. Horse while I wait for my name to be called.

Name Call!

“Hi! (insert name), we
are ready for you!
Come inside!”

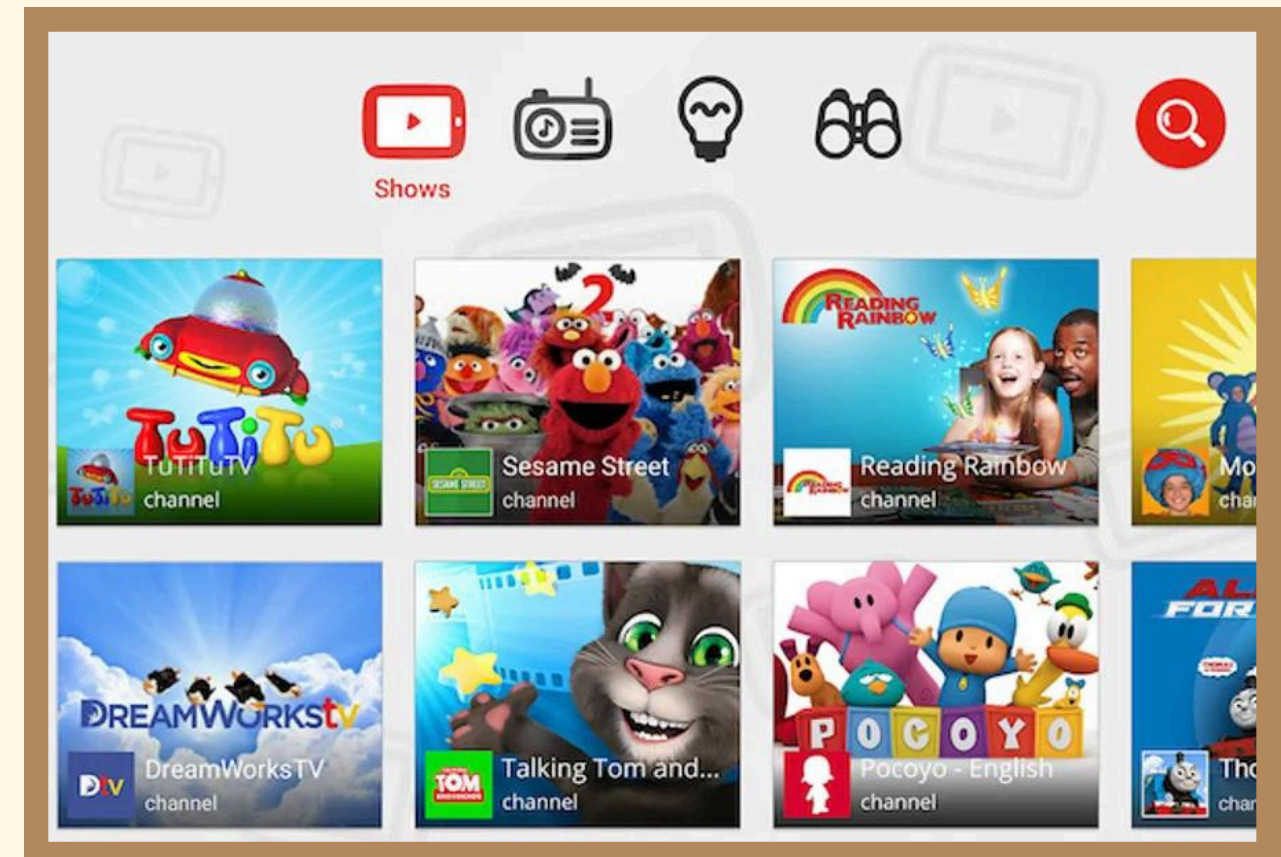

Rooms

- I go to the green / blue / orange room.
- It has a chair that is soft and comfortable.
- There is a big TV above it.

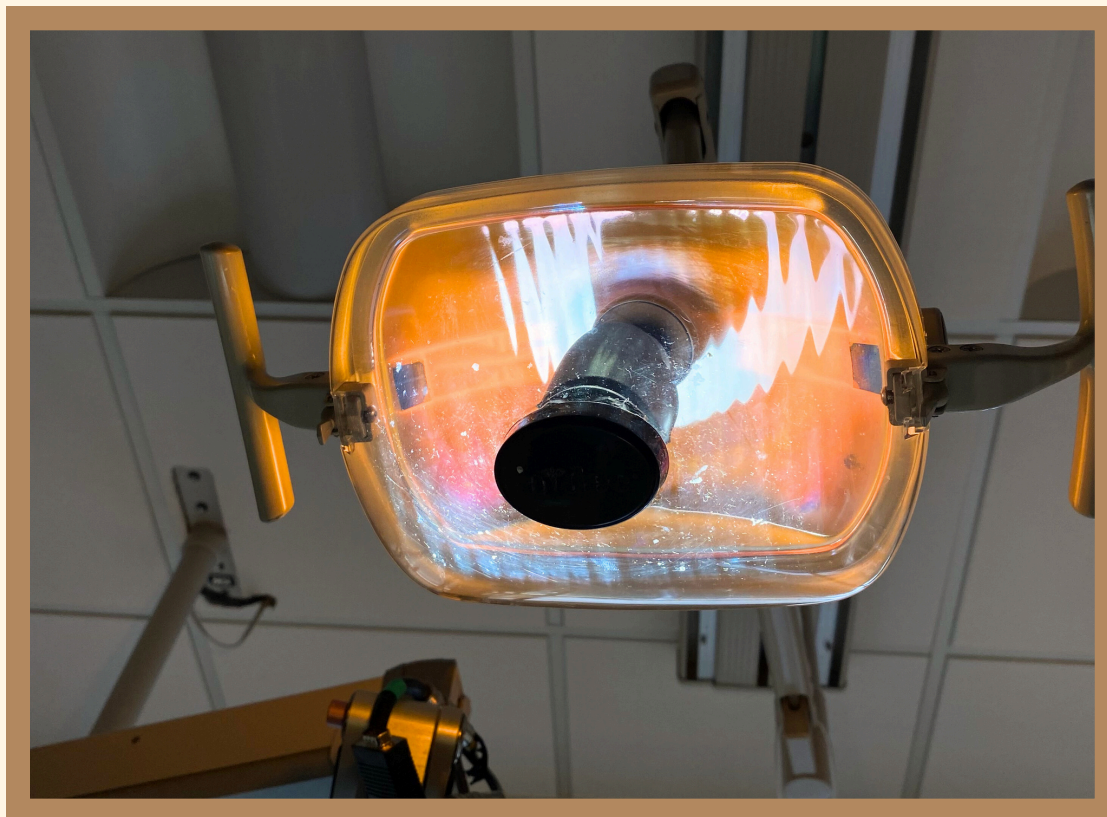

Picking a video

I sit down in the chair
and get to pick a movie
from Netflix or YouTube.

Dr. Summers says Hello!

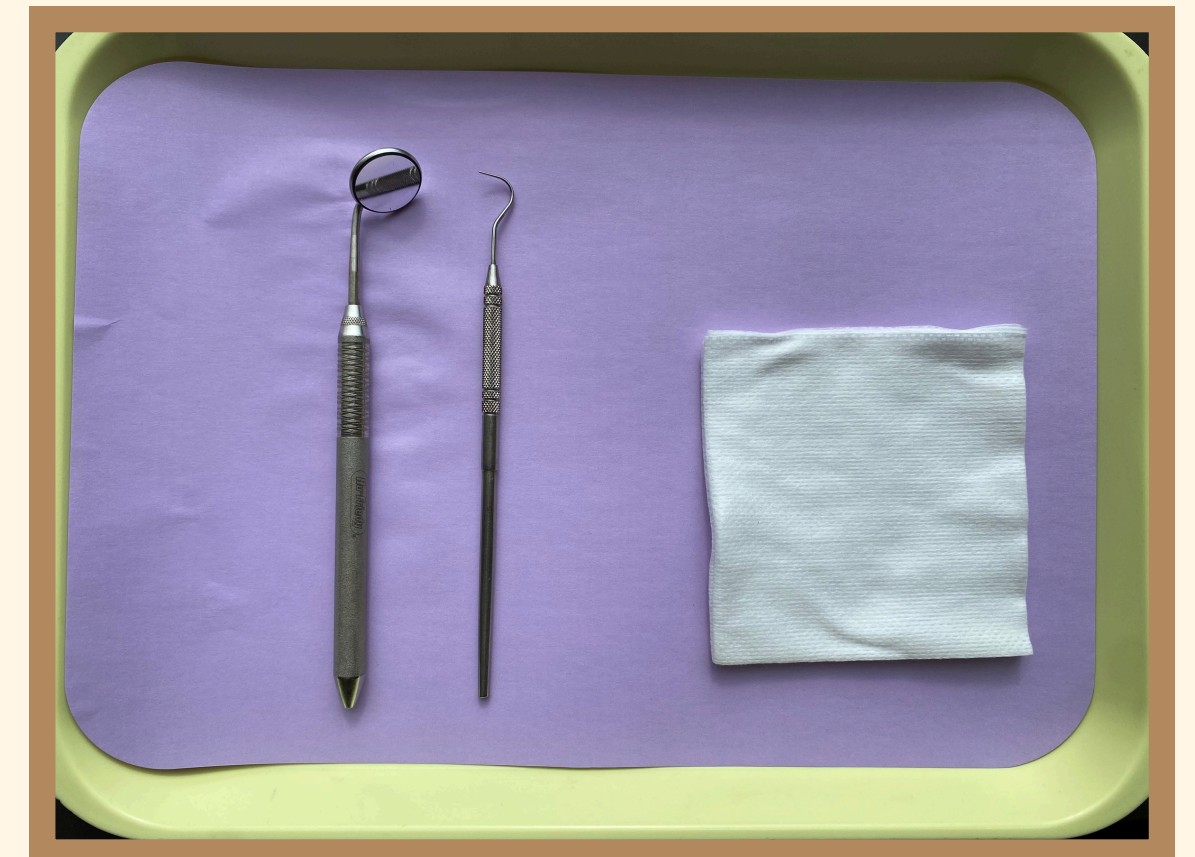

She turns on the light. It is bright.

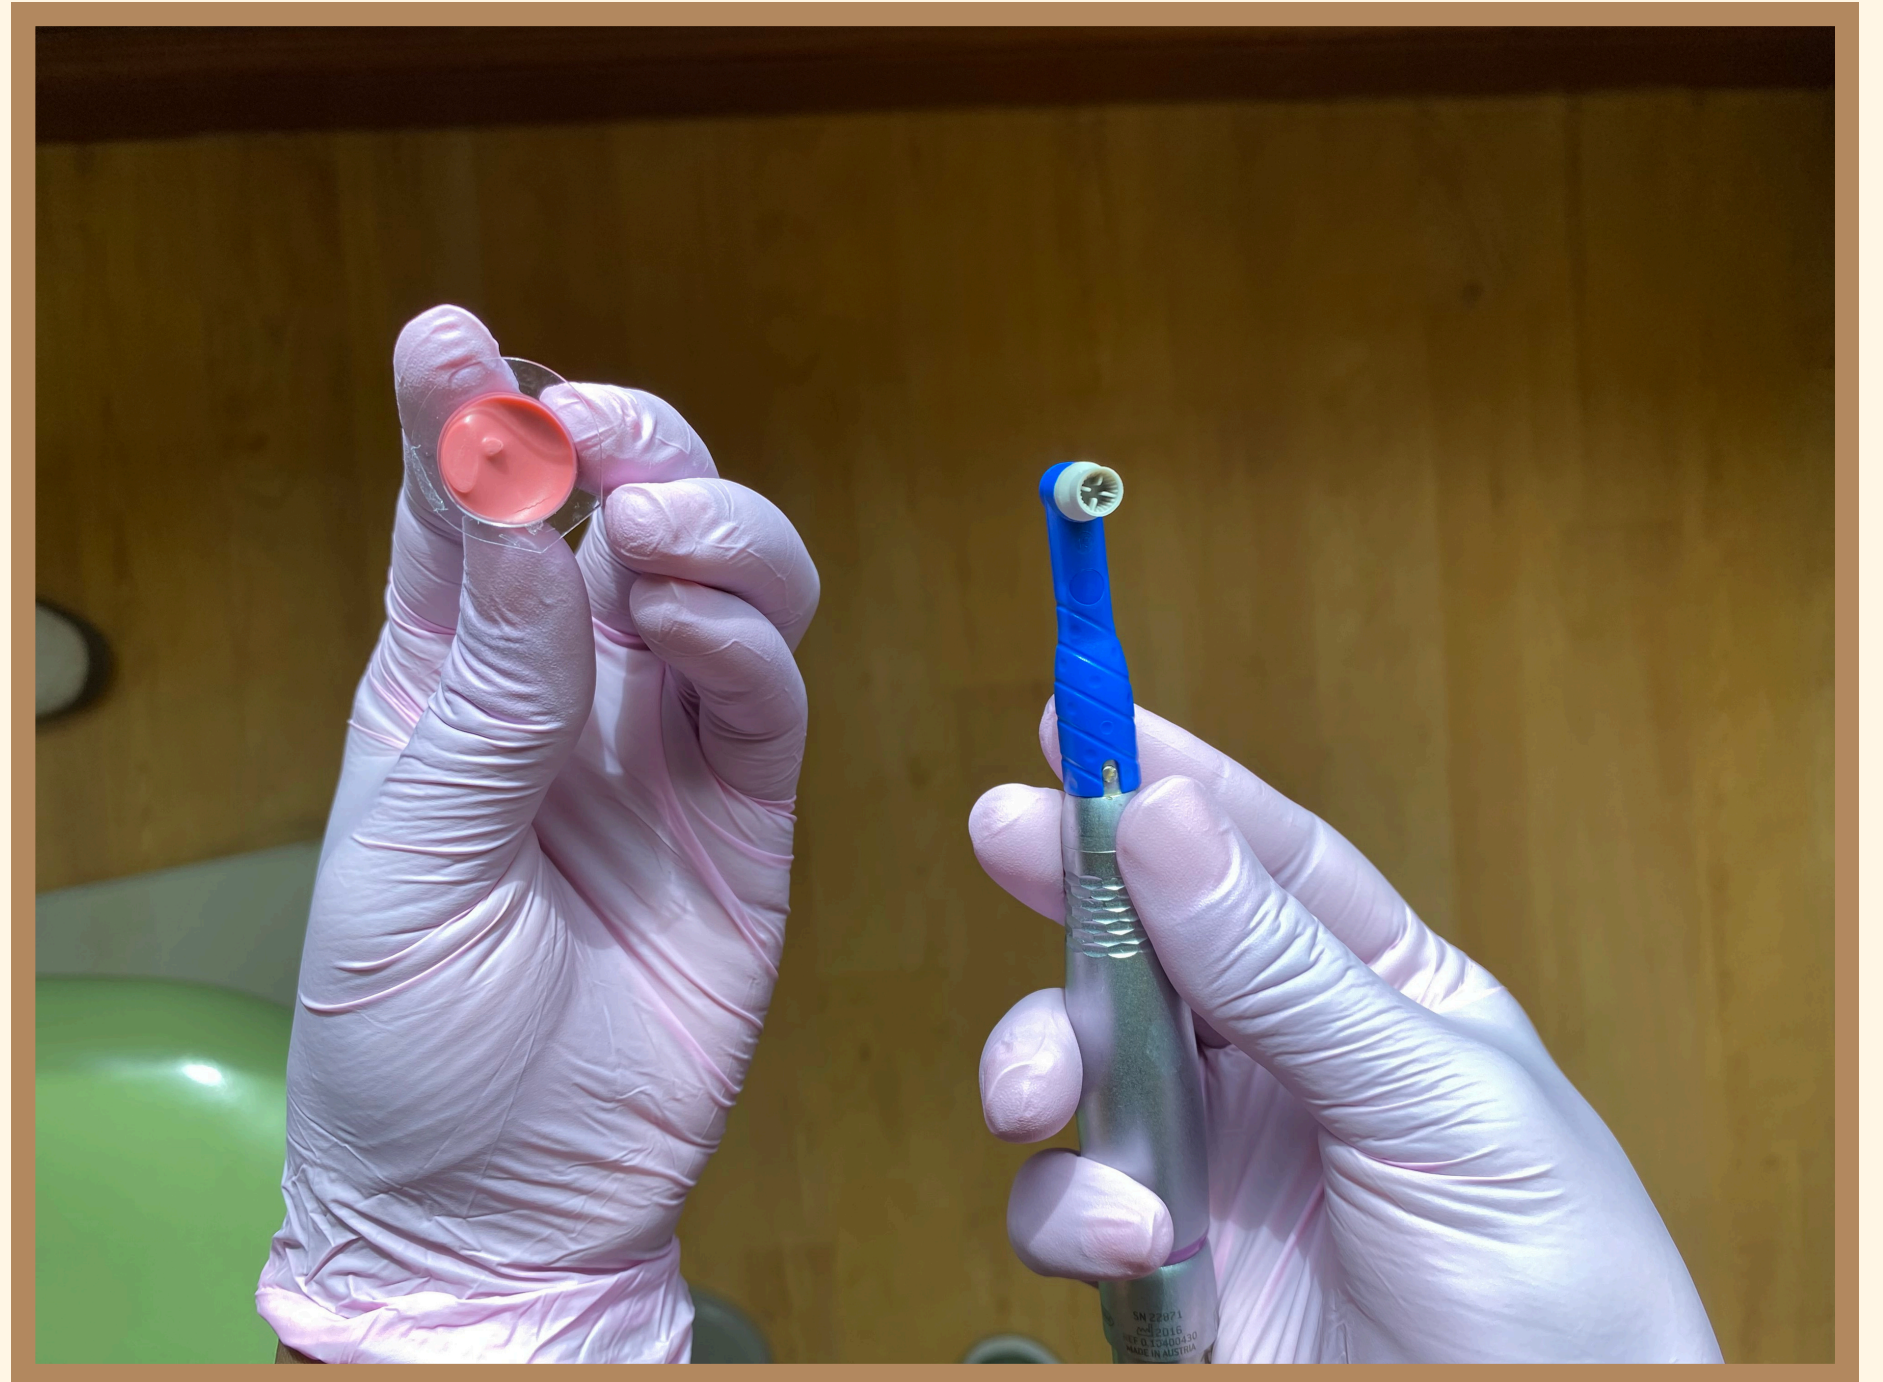

She gives me sunglasses.

I say "AHH" and open my mouth.
She counts my teeth with a mirror and counter. It is easy and makes a squeaky sound.

- She will use a motorized toothbrush to clean my teeth.
- It tickles.
- I get to pick the flavor of my toothpaste.

- She uses Mr. Thirsty to suck up the water. It makes a buzzing sound and tickles my tongue.
- She puts fluoride to make my teeth strong. I may need x-rays.

ALL DONE!

It's time to pick a toothbrush and grab my bag.

Lastly, I get to pick out a sticker!
